

1/8 Ferrari F40 (Pocher)

Oil Cooler & Transmission Cooler Upgrade Kit

Thank you for purchasing the oil and transmission cooler upgrade kit for the 1/8 Pocher Ferrari F40.

Please note the following:

- Ensure the correct orientation of the coolers in the F40 engine bay. Setrab lettering to be read from the rear of the vehicle.
- Some parts will need final finishing / filing / sanding to removing printing 'nubs'.
- After preparing the parts they can be washed in warm soapy water and allowed to dry.
- Use of super-glue is preferred for attaching resin parts.
- Test fit into the model before final fixturing.
- You will need to remove the original Pocher kit mounting points for the kit coolers.
